

The Sunbeam

President's Column

by Craig Krueger

Glad the weather has changed for the better. Managed to make several flights, then I had a short set back in health. All is better now and back to flying! Just wish the weather would cooperate a little more.

I'm not going to repeat everything from the Board Meeting here, so be sure to read the Minutes later in the newsletter. Several items worth reading about.

Not much news from me this month as I have been under the weather, but thought I'd share this story.

An 80 year old man had his annual check-up and the doctor was amazed at what great shape the man was in. The Doctor asked, "To what do you attribute your good health?" The old man replied, "I'm an R/C pilot and that keeps me shape. Up early in the morning out chasing thermals up and down the mountains."

The Doctor thought that was great, but asked, "There has to be more to it.

How old was your father when he passed away?"

The old man replied, "Oh, he is not dead. We just flew this morning AND he just turned 100 years old. He is in great shape, too."

The Doctor questioned, "And your Grandfather?" To which the old man replied, "He's doing great at 118 years old."

Frustrated, the Doctor asked, "Did he go flying with you this morning!?"

"No, Grandpa didn't. He got married"

This really frustrated the Doctor more. "Got married! Why would a 118 year old man get married instead of going flying?!!"

Said the 80 year old man, "Who said he WANTED to?"

Take care,
Craig

Club Calendar

April 14

Club meeting at the Ames City Hall, Room 135 (we think).

Request to those in need of instruction

If you need instruction please get into contact with Denny Goodrich. We need to know how many people need help. Are there times/days best for you? Should we just set up a regular day/time and stick to that?

A meeting of all we newbys and trainers should be set up so we can start getting to know each other. I propose Saturday, April 25 at 2:00 p.m.

Let me know .

Executive Council Minutes

The Executive Council met on 3/31/2015. Present were Craig Kreuger, Dave Sult, Mark Taylor, Dennis Goodrich

New agenda item:; Should we relieve the Pres. (Craig) of his duties for the year due to his recent heart problems?

Summertime Exec Council meetings: where? 7:15 at the field.

Kent wants to get an electric pump to move water from storage cans to the sprayer. Cost is \$100. Agreed by all.

Jacobsen cylinder head overhaul. We are going to consult a mechanic in Cambridge known for cylinder head repair. We do not know for a fact the head is damaged, but it needs a head gasket replacement at minimum. We have a new complete gasket set.
