

The Sunbeam

August 2015

It saddens me to report to the membership that someone or some group of people vandalized the port-a-potty at the field. In speaking with the business owner, this happens several times a year to them. They requested we not call the Sheriff's department over the matter for that reason. I guess whoever done this must like to play in toilets!

On to better news.

Warbird Fly-in will be September 5, so make plans to attend. New this year will be a raffle for Sig's T-Clips airplane.

Jacobsen mower has a new seat! And new blades have been ordered. Old ones have cut their last blade of grass and laid to rest.

Allis' blades have been sharpened.

Thanks to Kent for doing the work on the mowers.

South taxiway has been smoothed out. Thanks for Mark for his help in doing this.

Get all the flying in you can as time goes by fast. Be for you know it, that "white stuff" will be in the air!

Take care,

Craig

AMES MULTI-FLY

Saturday, Sept 5 will be the tenth annual Ames Multi-Fly, an event that grew to 40 pilots last year.

All Warbirds, Classics or Multi-Engine plane is welcome.

Mark Taylor and Kent Woods are the "Contest Directors" and they can be contacted for any questions or offers of assistance.

Perhaps the biggest reason the event has grown steadily over the last decade is our club's "Yellow Shirts," the personable and helpful club members who volunteer for the big day.

So please save the day and come out and participate as a pilot or a volunteer.

Or Both!

Field and Safety - grass continues to grow like crazy

The port-a-pot was vandalized. The company will be replacing it Friday, July 31. *(note: still not replaced as of August 6 - Ed)*

Sidewall for shed- Craig has researched options. Car siding \$263 and barn siding \$272. Rubber end caps \$60 for the metal siding. There is a cloth option for under \$100. The cloth could be two layers thick to cut light more. would need snaps and possibly some sewn reinforcement. The poles of this shelter are not spaced for 16", 24" or 48" lengths, so regular goods would incur some scrap.

OK for Denny to get the fabric to try out. *(on order - Ed)*

Mower blade nuts do not want to come off! New seats on Jacobsen and Allis. And they are adjustable. Charging system on Allis still does not work.

We decided to raffle an airplane kit at the Multi- Fly.
