## INDOOR FLY THIS TUESDAY

This is a reminder that the Jan., Feb. and March meetings of the Central Iowa Aeromodelers are a fun fly with a brief agenda at the 3M community building. We did this twice last year. Everyone had a great time and got to try out indoor RC gear.

Andrew volunteered to give a demo of FPV equipment. He is bringing 2 different goggles, a viewing screen and 3 camera equipped quad copters. If you have been thinking about cameras and goggles, this is a great opportunity to see some in action.

Be sure to charge up your batteries and come! If you don't have indoor aircraft come and spectate anyway.

The 3M Community Building is at 900 Dayton Avenue in East Ames. Here are the details from our Facebook page:

Drive to the northeast end of the parking lot, a driveway will go to the building. Highly suggest you drive in, unload or carry in your stuff, and park in the main lot. Parking space is a premium. AND STAY OFF THE GRASS!

**Tuesday,  
January 9, February 13, March 13  
6:00 p.m.-8:30 p.m.**

- 2018 AMA membership mandatory. Open to club members whose 2018 dues have been paid. Guests welcome.
- Club Safety Officer will inspect all aircraft. Note-this is a gym with high ceilings, so bring suitable aircraft.

JANUARY, 2018

The Iowa City Aerohawks will be hosting our 15<sup>th</sup> annual Radio Control Swap Meet and Auction on Sunday January 28, 2018 at the Coralville Marriott Hotel & Conference Center in Coralville, Iowa.

Please note our event has been moved to a new location to better handle the demand for tables. We have sold out the last several years and are excited for the opportunity to grow at our new location. Last year we sold out at 152 tables and hope to keep the event growing with your help.

In addition to the normal 8-foot table offering we are trying something new this year, large personal VIP spaces where you can assemble airplanes for better sales appeal. These spaces are available in 12'x20' and 20'x20' increments but are limited in quantity. For more information or to reserve a table please contact Rich. Contact information on the attachment.

We certainly appreciate you helping us get the word out to the RC community. If you have never attended our Swap Meet & Auction before we hope you will give us a try. We think you will really enjoy the event. We hope to see you in January.

Thank You

Rich VeDepo
