

The Sunbeam

President's Column

Mark Taylor

We had a decent crowd Sunday, including Greg showing off with his big Extra, Pat showing off his new solo skills

Wayne was privileged (although possibly not pleased) to have his van fumigated by my "new" YS-160

Does anyone know where the gas cap key for Allis is??
Lake Superior?

Please come to meeting tomorrow. We won't cancel for weather unless there's a twister rotating over the shelter.

We have an email group! If you'd like to get more frequent / candid updates on the comings and goings at the field please consider joining our email group. For many folks this works better to share photos, stories, etc. than the text messaging group.

To be enrolled send an email to andrew.albinger@gmail.com and Andrew will get you electronically invited to the list.
