

The Sunbeam

President's Column

by Dave Sult

Not much to report this month as flying weather has been minimal. Some people have managed to get out and there have been some good flights. Some have been ready to go and others have had to spend part of their first day fixing things before they could fly.

Some of these would have been preventable with maintenance before coming out for the first time and others were unavoidable. The only consolation to all this is it's better to be at the field working on your plane than being at home cooped up, as long as it's all found before it causes a failure and plane loss, that is.

Get out and fly and don't forget that the meetings are at the field for the rest of the summer so if nothing else, it's an excuse to get out and fly during the week. See you at the field.

Executive Council Report

The Executive Council met on April 25 at Cafe Milo in west Ames. Present: Dave Sult, Kent Woods, Craig Krueger, Mark Taylor & Denny Goodrich. Rich Cronk ill.

Due to reconstruction of U.S 30, plan for alternative routes to the field. Some suggestions:

From Nevada- south on SI4 to 305th Street, a tee road going west to Cambridge. In Cambridge proceed west to Park St, then north on Park 2 miles to the field

From Ames- South Dakota/Kelly Road to Slater stop sign at Route 210, then east to

Club Calendar

May 14 Monthly club meeting at 7:00 p.m. at the field. Program- Retracts by Mark Taylor

July 13 Central Iowa Aeromodelers Float Fly at Cornerstone Church pond from 1 to 5 pm.

Cambridge turnoff. In Cambridge take Race St. north to 4th Street, 4th west to Park St., then north on Park Street to the field

OR

South Dakota to the intersection of 320th Street, north of Slater, east through Huxley and on to Cambridge. In Cambridge turn north at the second stop sign, Park Street.

From north or south of Ames on I-35: take the Cambridge exit and go east to Cambridge turnoff. In Cambridge take Race St. north to 4th Street, 4th west to Park St., then north on Park Street to the field.

The field needs weed spraying. Need to get out the equipment. Equipment batteries are questionable.

Runway staples need to be walked down.

Membership renewal- flyers not renewed forfeit their insurance. Also, we need your support!
