The November's Club Meeting will be at the Ames Public Library, Dale H. Ross meeting room, Tuesday, November 14, 7-8p.m. This is the same room as we used last year.

Plan on attending for two reasons: to discuss the raising of dues to \$100 per year. Two meetings are required for discussions. This action was approved at the October meeting, and now also needs approval at the November meeting. Vote on the increase will happen at the December meeting. So please come and discuss.

The second reason is that November is nominations time for the 2018 Executive Council. The new council will be elected at the December meeting.

Three reasons! Do we want a Christmas party? See you at the meeting!

The mower photo shows the John Deere Mower Kent bought last fall. We need to figure out a payment plan for the club to buy it from him. It has been serviced and put to use a couple of times. It seems to be very solid. It is now in storage.

The other two mowers will be stored at the field this winter.

Last winter I bought a partially built TopFlite Schoolmaster on ebay. It is mostly finished, now. Kit prices have changed a bit since the 1960's! SIG dope.

Craig Krueger now has custody of Steve Madsen's Aeromaster. I rebuilt the plane some time ago because I just knew that Steve was going to do that someday.
