

The Sunbeam

President's Column

Mark Taylor

Coronavirus infection numbers, hospitalizations and deaths have been rising rapidly for the last two or three weeks. This is the so-called second surge for middle America and is much more dangerous and much more likely to make you ill than our previous surge. Hospitals in Central Iowa are close to full, so it will be a Fire Drill if you have to be admitted

Be Covid-19 aware! Wear your mask. Encourage others to do so, too. You are protecting them, they should be protecting you. By all of us wearing them, we are also protecting our medical personal, who are risking their health for us.

Finally, for 2 minuets, 20 seconds of abject amazement, view this video of Gernot Bruckmann of Austria. This video is from 2014. There are many other videos of him. Just search under his name.

Club Calendar

November 10 Meeting on Zoom!

Agenda:

- Winterizing the field
 - JD Tractor maintenance (volunteers to work with JD dealer?)
 - Move tractors into the shed
 - Find winter homes and trickle chargers for the batteries
- Ordering a replacement for the damaged fuel box? Wayne is ready to order the replacement.
- Elections and nominations
- Covid news: at least one club member tested positive lately.

Zoom works best if you have both a microphone and video camera. Smart phones such as an iPhone or Android work well. If you have a computer without a camera, that is fine, a camera is not required to join the meeting.

To join the meeting click on the link below and follow any prompts. If you have never used Zoom before click the link 5 or 10 minutes in advance. You will be guided through a few preliminary steps; you will need to download the Zoom app and are given a chance to check your video and audio settings.

Apology from the Editor: These photos are just ones that I took or were in emails or text messages. This record is just a snapshot of what went on at the field this year. I clearly missed a lot.
