## President's Column

by Dave Sult

Guys, this was possibly the best Multi-Fly ever. Good weather, lots of pilots and planes.

We were introduced to a new talent to our area, Sam Sutter, who put on a fantastic helicopter demo at noon. Sam is a new Iowa State student and we only met him last week, yet he agreed to this demo on that short notice. Thank you, Sam!

Pete Rosas from Council Bluffs also put on a fantastic demo flight at noon with an extremely smooth flight of an F6F Hellcat. Thank you, Pete!

Many friendships were renewed, many new ones made. A great time was had by all. Also a big thank you to both the volunteers and the pilots who took the time to attend and make this event what it is. Spread the word and we look forward to seeing you all again next year.

See you at the field for the meeting!

Dave

## Executive Council Report

The Executive Council met on August 29. Present were Dave Sult, Craig Krueger, Kent Woods, Rich Cronk and Denny Goodrich.

Kent told us the menu for the Multi-Fly would be a Meal Deal for \$10, which will include beef BBQ sandwich, beans, cole slaw, potato salad, watermelon, cake and drink. Other sandwiches to be available ala carte.

We made notes to ask Mark to bring his tables, all to bring coolers, shades and chairs.

## Club Calendar

**Sept 10** Regular meeting at the field.

- Come and recount tales from the Multi-Fly!
- Bring a plane to fly!
- Excess beverages from the Multi-Fly will be for sale.

### In Case of Storms on Meeting Night

If there is a **Thunderstorm Warning** or a **Tornado Watch** in effect covering the meeting start time, the meeting is cancelled! You belong safe at home, not running for your life.

## MULTI-FLY 2013

From Mark Taylor, Contest Director:

Thanks to all for our most successful Multi-Fly ever

A total of 34 pilots and not a single crash  
Weather got cooler about 3 pm to save the day and a considerable amount of fun was had after the official end of the meet at 6 pm

I received many compliments about the excellent food service by Cathy and Connie and Kent and of course Kent did everything behind the scenes that made the event work

*(Ed: Our Contest Director's generosity is no less than those he named. Thank you, Mark.)*
