## President's Column

by Craig Krueger

After a year in waiting, the biggest event that our club has is happening this Saturday, September 6th. That is the Multi-engine, Warbirds and Classic-era Aircraft Fun Fly. Be sure to read the flier(sp) in the newsletter for all the details.

Good friends, good flying, and good food!! It's sure to be a lot of fun. And the weather forecast couldn't be much better. Doesn't seem like September already. Days are getting shorter so be sure to get all the flying in you can. That's all for now.

Craig

### Message from Mark Taylor

Multi-Fly Contest Director

The bulk of this message was sent to everyone by email, but a repetition is not out of order. The only other thing to mention is that we look forward to all the Yellow Shirts coming out. The participants enjoy your help so very much!

The weather forecast for Saturday is perfect: 71 degrees and winds north 5-7.

We have good prizes this year, including a (NIB) DLE-55 and JR 12-ch receiver.

And I doubled the number of trophies, since it seems like every event I go to, there are about twice the number of pilots deserving one that get one.

All-in-all, however, it's all about good fun, good food and good fellowship. Our field is in great shape and our volunteers haven't gotten any less friendly.

Central Iowa's "Bomber Crew" now numbers five and we have 5 big heavies ready to go. Please bring one if you have it!

Please join us! Fun starts at 0900

Mark Taylor
